The first question was about the rate relevance of the courses in relation to the program. The feedback given should be the choice like excellent, very good, good, average and poor in all the questions in the curriculum. 95.98 % commented excellent and 4.02% graded very good (Fig.1). The second question was about the sufficiency of the courses related to industry that are included in the program 92.98 % commented excellent and 7.02% graded very good (Fig. 2). 3rd and 4th question was about the competencies/ outcomes in relation to the course content and relevance of the topics to the industry. More than 85% employee marked excellent for both the questions (F ig.3 and Fig.4).
